

THE ABACUS RACK

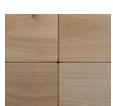

The abacus rack in oak | faded umber

DESCRIPTION

A wall mounted or countertop plate rack, hand-made to order in solid, sustainably sourced timber. The waterfall configuration has a solid timber top, a strong, slatted drying shelf, a versatile drying rack, and large brass hooks for hanging pots, pans and mugs. The abacus rack can be made at almost any length, and to accommodate most plates and bowls. Available in all of our timber finishes.
