

THE TACK CABINET

The tack cabinet in oak | greywash

DESCRIPTION

A freestanding and architectural tack cabinet with fully glazed sliding doors. Inspired by the large cabinets found in the stable blocks of English country houses. Constructed in solid oak in any of our oiled oak finishes. The design is flexible enough to allow for changes to the height, width and depth or number of panels. The tack is made to assemble and disassemble for ease of shipping and installation.

The current lead time for a tack cabinet is 16+ weeks from receipt of full payment and sample/drawing approval. The tack cabinet cupboard is made to measure and finished in our Stamford workshop.

FINISHES

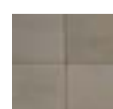

The recommended finishes for the tack cabinets are below. To see all options visit our [finish library](#). Our handmade samples are available at £25 + vat each including delivery.

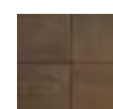

oak | whitewash

oak | natural

oak | greywash

oak | dark fumed
